VOTING EXCLUSION STATEMENT

FOR ITEM 3 (REMUNERATION REPORT) AND ITEM 4 (GRANT OF DEFERRED RIGHTS TO THE CEO & MANAGING DIRECTOR)

A vote cast on the resolution in Item 3 (Remuneration Report) and Item 4 (Grant of Deferred Rights to the CEO & Managing Director) must not be cast (in any capacity) by or on behalf of the following:

- a member of the Key Management Personnel (KMP) (being those persons described as Key Management Personnel in the Company's Remuneration Report and including all Directors); or
- a Closely Related Party (as defined in the Corporations Act 2001 (Cth) (Corporations Act)) of such a member.

The Company will disregard any votes cast in favour of the resolution in Item 4 (Grant of Deferred Rights to the CEO & Managing Director) by or on behalf of Mr Ciaran Davis and any of his associates (as defined in the ASX Listing Rules), regardless of the capacity in which the vote is cast.

However, this does not apply to a vote cast in favour of a resolution by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the Chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:

 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

NOTES

PROXIES

A shareholder entitled to attend and vote at the Annual General Meeting is entitled to appoint not more than two proxies, who need not be shareholders of the Company.

Where more than one proxy is appointed, both proxies will be entitled to vote on a poll (subject to any voting exclusion). Each proxy should be appointed to represent a specified percentage or specified number of the shareholder's voting rights. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half the votes.

Fractions of votes will be disregarded.

If you sign and return a Proxy Form and do not nominate a person to act as your proxy, the Chair will be appointed as your proxy by default.

APPOINTMENT OF THE CHAIR OR OTHER KMP AS YOUR PROXY

Due to the voting exclusions referred to earlier in relation to Item 3 (Remuneration Report) or Item 4 (Grant of Deferred Rights to the CEO & Managing Director), if you intend to appoint a member of the KMP or their Closely Related Parties, other than the Chair, as your proxy, you are encouraged to direct your proxy on how to vote on Item 3 (Remuneration Report) or Item 4 (Grant of Deferred Rights to the CEO & Managing Director) by marking 'For', 'Against' or 'Abstain' opposite these resolutions on the Proxy Form. If you do not direct a proxy how to vote on Item 3 (Remuneration Report) or Item 4 (Grant of Deferred Rights to the CEO & Managing Director), they will not be able to vote as an undirected proxy and your vote will not be counted. This does not apply to the Chair, who can vote undirected proxies (see below).

HOW THE CHAIR WILL VOTE UNDIRECTED PROXIES

The Chair intends to vote any undirected proxy in favour of all resolutions including Item 3 (Remuneration Report) and Item 4 (Grant of Deferred Rights to the CEO & Managing Director).

You should note that if you appoint the Chair as your proxy, or the Chair is appointed as your proxy by default, and the Proxy Form does not specify whether to vote 'For', 'Against' or 'Abstain', this will be taken as a direction and authorisation to the Chair to vote in accordance with his stated voting intention, which is to vote in favour of all resolutions including Item 3 (Remuneration Report) and Item 4 (Grant of Deferred Rights to the CEO & Managing Director), even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

Shareholders can always appoint the Chair as their proxy and direct him to cast votes contrary to the Chair's stated voting intention or to abstain from voting on a resolution.

If you appoint the Chair as your proxy but do not wish him to vote in favour of Item 3 (Remuneration Report) or Item 4 (Grant of Deferred Rights to the CEO & Managing Director), it is important for you to complete the voting directions in respect of Item 3 or Item 4 on the Proxy Form.

The Chairman will consider the nature of the technical difficulty, the number of shareholders impacted and the extent to which participation is affected. The Chairman may elect to continue with the AGM even if a technical difficulty arises, so shareholders are encouraged to appoint a proxy ahead of the meeting even if they plan to attend the AGM.

ITEM 3 – REMUNERATION REPORT (NON-BINDING RESOLUTION)

The Remuneration Report for the year ended 31 December 2021 appears on pages 35 to 50 of the 2021 Annual Report.

The Remuneration Report sets out the policy for the remuneration of the Directors and other KMP of the Company and the consolidated entity.

The Corporations Act requires that a resolution be put to the vote that the Remuneration Report be adopted. The Corporations Act expressly provides that the vote is advisory only and does not bind the Directors or the Company.

Notwithstanding the advisory status of the vote on the Remuneration Report, the Directors will take the outcome of the vote into account when considering the Company's remuneration policy.

Shareholders attending the Annual General Meeting will be given a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

The Directors recommend that shareholders vote in favour of Item 3.

ITEM 4 – GRANT OF DEFERRED RIGHTS TO THE CEO & MANAGING DIRECTOR

The Remuneration, Nomination and Governance Committee (Committee) oversees a Total Incentive Plan (TIP) implemented in 2016 with the purpose of aligning executive remuneration with the Company's business strategy and shareholders' interests in an ever-changing media market. Based on external feedback and the Company's internal assessment, the Board is of the opinion that the TIP remains the most effective incentive mechanism for the Company.

Under the TIP, eligible executives (including Mr Davis) receive an annual incentive award which, if performance conditions are met, is delivered half in cash and half in equity. The quantum of cash and equity delivered to each eligible executive is based on performance over the relevant financial year (in the case of the TIP award to which Item 4 relates, the relevant year is the 2021 financial year (FY21)).

Accordingly, under the FY21 TIP award, Mr Davis' total award is to be delivered half in cash and half in equity.

The equity component will be received, subject to shareholder approval, by Mr Davis in the form of a grant of deferred rights to acquire shares in the Company (Rights). The Rights vest and are automatically exercised into shares, subject to continued employment, over a one year vesting period. Shares allocated on vesting and automatic exercise of the Rights are then subject to a further two year trading restriction. If Shareholder approval is not obtained, the balance of Mr Davis' award will be in cash rather than equity.

Following shareholder approval at the Annual General Meeting, the Company will grant Rights in respect of the equity component of the FY21 TIP award to Mr Davis. Shares will be acquired on-market to satisfy Rights that vest under the Company's incentive plans.

The key terms of the FY21 TIP award and further information about the TIP and Mr Davis' executive remuneration package are outlined in the Remuneration Report on pages 35 to 50 of the 2021 Annual Report.

EXPLANATORY NOTES CONTINUED

Approvals sought

Shareholders are asked to approve the grant of Rights to Mr Davis, in relation to the FY21 TIP on the terms and conditions summarised in these Explanatory Notes.

Approval of this resolution will also result in the Rights granted to Mr Davis being included as an exception to ASX Listing Rule 7.1. This means the Rights granted to Mr Davis, and any shares issued pursuant to this approval, will not use up part of the 15% limit available under ASX Listing Rule 7.1.

Shareholder approval is also being sought for the potential future retirement benefits under sections 200B and 200E of the Corporations Act should any of the Rights the subject of Item 4 vest as a result of Mr Davis' employment ceasing.

If Mr Davis' employment ceases before his Rights vest due to his resignation or termination for cause, all of his unvested Rights will generally lapse at cessation. However, where Mr Davis ceases employment before his Rights vest for any other reason, a pro-rata portion of unvested Rights will continue "on-foot" and vest at the end of the original vesting period (31 December 2022). The Board also has a broader discretion to apply any other treatment to unvested Rights that it deems appropriate in the circumstances.

In the event Mr Davis ceases employment with the Company during the restriction period (i.e. before the date that is two years from the date the Rights vest), the trading restrictions on shares will continue to apply (or there will be deferral of the cash payment where Rights are settled in cash) until the end of the original restriction period.

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the company if it is approved by shareholders or an exception otherwise applies.

Value of the retirement benefits

The total value of the proposed benefit to be approved by shareholders under this Resolution cannot be determined in advance. This is because various matters will or are likely to affect the value, including the market price of shares at the time that any Rights vest and the period that Mr Davis remains employed during the restriction period.

If and when the Rights vest, the value of the benefit can be calculated by multiplying the number of shares that Mr Davis receives by the market price of shares at that vesting time.

The Company is seeking this approval to assist it to meet its obligations to Mr Davis and to provide the Company with flexibility to continue to remunerate executive directors fairly and responsibly.

It should be noted that there is no current intention for Mr Davis to vacate his role of CEO & Managing Director.

Shareholders should be aware that approval is not being sought for the purposes of the related party provisions contained in Chapter 2E of the Corporations Act, because the Board (other than Mr Davis who is not able to make a recommendation due to his interest in this Resolution) considers that the issue of the Rights (and any shares following the vesting of the Rights) pursuant to Resolutions 4 constitute part of Mr Davis' reasonable remuneration (and therefore falls within the exception set out in section 211 of the Corporations Act). In reaching this conclusion, the Board has had regard to a variety of factors including market practice and the remuneration offered to persons in comparable positions at comparable companies.

TIP - KEY TERMS

The following table provides an overview of key terms of the proposed grant of Rights to Mr Davis:

Key Terms

Details

Details of the proposed FY21 TIP Rights grant Following the end of FY21, the Company assessed performance against the FY21 TIP performance conditions over the financial year and, based on this, determined the annual incentive outcome payable to each eligible executive (including Mr Davis) (FY21 TIP Award Outcome).

An explanation of how the Committee determined FY21 TIP Award Outcomes, including an overview of the FY21 TIP performance conditions and actual performance achieved, is outlined in the Remuneration Report on pages 40 to 44 of the 2021 Annual Report.

Under the FY21 TIP award, Mr Davis' total award is to be delivered half in cash and half in equity.

Subject to shareholder approval, 508,779 Rights for the FY21 TIP will be granted to Mr Davis. The number of Rights to be granted has been calculated as follows:

FY21 TIP Award Outcome (\$1,811,250) multiplied by 50%*

divided by

Volume weighted average price (adjusted for capital events) (**VWAP**) of the Company's shares over the first five trading days of FY21 (\$1.78).

* 50% of the FY21 TIP Award Outcome is provided in the form of Rights. The remaining 50% is provided as a cash payment.

Entitlements

Each Right is a right to acquire one share in the Company (or an equivalent cash amount) at no cost, subject to Mr Davis' continued employment with the Company over the applicable vesting period.

Rights do not carry any dividend or voting rights. However, any dividends that are paid by the Company prior to the vesting of Rights, in respect of the number of Rights that eventually vest, will be delivered to Mr Davis in the form of additional shares (or an equivalent cash amount). Additional shares delivered in respect of dividends will be acquired on-market.

For the FY21 TIP, the number of additional shares received will be determined by dividing the cash value of dividends paid over the vesting period for each Right (in respect of the number of Rights that eventually vest) by the VWAP of the Company's shares over the five trading days prior to each dividend payment date.

Rights are non-transferable, except in limited circumstances or with the consent of the Board.

Key Terms	Details
Date of grant	If shareholder approval is obtained, the Rights will be granted to Mr Davis as soon as practicable after the Annual General Meeting, but in any event, within 12 months of the Annual General Meeting.
Vesting condition and period	Rights will vest, subject to continued employment with the Company, on the date 12 months following the end of the relevant TIP performance period.
	For the FY21 TIP award, the performance period was from 1 January 2021 to 31 December 2021 (following which the FY21 TIP Award Outcome was determined by the Committee).
	Rights granted in respect of the FY21 TIP will therefore vest on 31 December 2022, subject to Mr Davis' continued employment up to this date (i.e. the vesting period is from 1 January 2022 to 31 December 2022).
	Rights will be automatically exercised following vesting (i.e. Mr Davis does not need to do anything to exercise the Rights and receive shares).
Allocation of shares	Upon vesting and automatic exercise of Rights, Mr Davis will receive one fully paid ordinary share in the Company in relation to each Right.
	The Company's obligation to allocate shares on vesting may be satisfied by acquiring shares on-market or transferring shares from an employee share trust.
	In accordance with the terms of the TIP, the Board also has discretion to settle vested Rights in the form of a cash payment (the value of this cash payment to be equivalent to the market value, at the end of the two year restriction period, of shares that would have otherwise been delivered). Where Rights are to be settled with a cash payment, the payment will be made following the end of the restriction period which would have otherwise applied in respect of the underlying shares (i.e. the two year period ending after 31 December 2024 for the FY21 TIP).
Trading restrictions	Shares allocated to Mr Davis under the TIP will be subject to a trading restriction for a period of two years from the date the Rights vest.
	For the FY21 TIP award, the restriction period will begin on the date that the shares are allocated (i.e. on or around 1 January 2023) and end on 31 December 2024.
	The Company's Securities Trading Policy and Guidelines will also apply to shares allocated following vesting of Rights.
Price payable for securities	No amount will be payable in respect of the grant of Rights, nor in respect of any shares allocated upon the vesting of Rights.
Cessation of employment	If Mr Davis ceases employment with the Company before the Rights vest, the treatment of his Rights will depend on the circumstances of cessation.
	Where Mr Davis ceases employment before his Rights vest due to his resignation or termination for cause (including gross misconduct), all of his unvested Rights will generally lapse at cessation.
	Where Mr Davis ceases employment before his Rights vest for any other reason, a pro-rata portion of unvested Rights (based on the portion of the vesting period elapsed at cessation) will continue "on-foot" and vest at the end of the original vesting period.
	The Board also has a broader discretion to apply any other treatment to unvested Rights that it deems appropriate in the circumstances.
	In the event Mr Davis ceases employment with the Company during the restriction period, the trading restrictions on shares will continue to apply (or there will be deferral of the cash payment where Rights are settled in cash) until the end of the original restriction period.
Clawback	The Board may, in its absolute discretion, determine that some or all unvested Rights should be forfeited in certain circumstances such as gross misconduct, material misstatement or fraud (in accordance with the Company's clawback policy).
	The Board may also forfeit unvested Rights where the performance outcomes that led to the grant of Rights being made, are later determined to have been incorrectly measured or not sustained.
Other information	No other Director of the Company is eligible to participate in the TIP or any other employee incentive scheme of the Company.
	There is no loan scheme in relation to the grant of Rights under the FY21 TIP.
Other information required by ASX Listing Rules	Details of any securities issued under the TIP will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.
	Any additional persons covered by listing rule 10.14 who become entitled to participate in an issue of securities under the TIP after this resolution is approved and who were not named in this Notice of Meeting will not participate until shareholder approval is obtained under ASX Listing Rule 10.14.

A voting exclusion statement applicable to Item 4 is set out in the Notice of Meeting.

The Directors (other than Mr Davis who abstains from making a recommendation because of his interest in the resolution) unanimously recommend that shareholders vote in favour of Item 4.

The Chairman intends to vote undirected proxies in favour of Item 4.

SPECIAL RESOLUTIONS

ITEM 5 - MODIFY THE COMPANY'S CONSTITUTION

Approval is sought by special resolution, which requires at least 75% of the votes that are cast on the resolution to be in favour of the resolution.

The Board and the Company's legal advisers have reviewed the Company's constitution to consider whether any amendments are necessary or desirable given developments (and potential future developments) in corporate law and governance since the constitution was incorporated or last amended.

As a result of this review, the Board has identified shareholder meetings (and, specifically, the holding of virtual shareholder meetings) as an area which is currently the subject of a significant amount of commentary and also review by the Commonwealth Parliament.

In response to the COVID-19 pandemic and the resulting inability of shareholders to meet in person, the Corporations Act has been temporarily amended (each time by a determination made by the Commonwealth Treasurer) to permit companies to hold meetings virtually. Virtual meetings of shareholders were not explicitly permitted under the Corporations Act prior to these temporary amendments taking effect.

To provide certainty and continuity in the acceptance of virtual shareholder meetings while the COVID-19 pandemic continues, ASIC has adopted a temporary 'no action' position which supports the convening and holding of virtual meetings using appropriate technology.

Following the expiry of these temporary measurements, which for listed entities is currently 31 May 2022, under the Corporations Act, a company will only be entitled to hold virtual meetings if its constitution permits it.

The Board considers it appropriate to amend the Company's constitution to ensure that it has flexibility to hold virtual shareholder meetings in the future.

The Proposed amendments to the Company's constitution are shown below in mark-up, with the additional wording underlined. A full copy of the Company's current constitution is also available at www.htande.com.au/corporate-governance/

The Directors recommend that shareholders vote in favour of Item 5.

Proposed amendments to constitution in markup Clause 13.8 Technology

The Company may hold a meeting of members at two or more venues using audio-visual, <u>virtual</u> or any other technology that gives the members as a whole a reasonable opportunity to participate in the meeting <u>without any of them being physically present in the same place</u> and allows each member present and entitled to vote the ability to vote on any resolution.

Clause 14.1: Member present at meeting

If a member has appointed a proxy or attorney or (in the case of a member which is a body corporate) a corporate representative to act at a meeting of members, that member is taken to be present at a meeting at which the proxy, attorney or corporate representative is present (including, if the meeting is being held at two or more venues using virtual meeting technology, the proxy, attorney or corporate representative is present at any one of those venues).

Clause 14.2: Quorum

No business may be discussed or resolved at a meeting of members unless a quorum is present. The quorum for a meeting of members is three members present in person (including, if the meeting is being held at two or more venues using virtual meeting technology, the member is present at any one of those venues), by proxy, by attorney or corporate representative, where each individual present may only be counted once toward a quorum. If a member has appointed more than one proxy or corporate representative, only one of them may be counted toward a quorum.

ITEM 6 – FINANCIAL ASSISTANCE

Approval is sought by special resolution, which requires at least 75% of the votes that are cast on the resolution to be in favour of the resolution. Item 6 seeks the approval of the Company's shareholders, pursuant to sections 260A and 260B(2) of the Corporations Act, for financial assistance to be provided by:

(each an ARN Regional Group Company and together, the ARN Regional Group Companies).

(a) Funding Arrangements

As announced to the market on 4 January 2022, Australian Radio Network Pty Limited ACN 065 986 987 (a wholly owned subsidiary of the Company) acquired from Grant Broadcasters Pty Ltd all of the issued shares in the ARN Regional Group Companies for \$307,500,000 (the **Acquisition**).

The Acquisition was partly or wholly funded by existing debt facilities (**Debt Funding**) provided to the Company and its subsidiaries under one or more facility agreements entered into by, among others, the Company and a number of financial institutions (**Banking Documents**).

(b) Obligations to Financiers

The Company wishes to include some or all of the ARN Regional Group Companies as a party to the Banking Documents as obligors and as such they will be required to guarantee the performance of the obligations of the Company and its subsidiaries (as borrower and/or guarantor), which includes the repayment of the Debt Funding.

By becoming party to the Banking Documents as obligors, among other benefits, much greater flexibility will be afforded to effect intra-group transactions with the relevant ARN Regional Group Companies and certain of the ARN Regional Group Companies will also be capable of directly accessing the facilities made available under the Debt Funding.

In addition, as a result of providing a guarantee under the Banking Documents, the relevant ARN Regional Group Companies will also be required to guarantee the performance of the obligations of the Company and/or its subsidiaries under a number of other existing third-party ancillary debt finance provided to the Company and/or its subsidiaries (Ancillary Finance Documents).

These are customary requirements for such funding arrangements. It is expected that the relevant ARN Regional Group Companies will also give certain customary representations, warranties and undertakings, and will grant the financiers certain customary rights in the event that the relevant ARN Regional Group Companies commit certain defaults (such as committing a material breach or becoming insolvent).

(c) Financial Assistance

Section 260A of the Corporations Act prohibits a company from financially assisting any person to acquire shares in that company or a holding company of that company, unless the assistance:

- does not materially prejudice the interests of the company or its shareholders or the company's ability to pay its creditors;
- is approved by shareholders under section 260B of the Corporations Act; or
- falls within a limited number of exemptions under section 260C of the Corporations Act, none of which apply to the Acquisition.

As described above, as the Acquisition was partly or wholly funded by the Debt Funding and it is expected that the relevant ARN Regional Group Companies will guarantee the obligations of the Company and/or its subsidiaries under the Banking Documents (including the repayment of the Debt Funding) and the Ancillary Finance Documents, which may directly or indirectly assist another entity to acquire shares in a ARN Regional Group Company.

This assistance may constitute financial assistance to acquire shares in a ARN Regional Group Company for the purposes of section 260A of the Corporations Act. The ARN Regional Group Companies will therefore seek the approval of their shareholders to give such financial assistance. This is a typical practice in such circumstances.

(d) Effects of the Proposed Financial Assistance

The relevant ARN Regional Group Companies may suffer adverse effects as a result of participating in the arrangements in connection with the Acquisition, including:

- the relevant ARN Regional Group Companies may become liable as a guarantor for the guaranteed money, and may become subject to enforcement action by the financiers under the Banking Documents or the Ancillary Finance Documents (together, **Finance Documents**) in the event of a default under the Finance Documents; and
- the customary representations, warranties and undertakings which each relevant ARN Regional Group Company is contemplated to give may impose certain restrictions on its ability to:
 - grant further security over its assets or dispose of assets;
 - make distributions to shareholders; and
 - borrow money in the future or incur further financial indebtedness.

(e) Reasons for Giving Financial Assistance

The main reasons for the giving of financial assistance described above in connection with the Acquisition are:

- greater flexibility will be afforded to effect intra-group transactions with the relevant ARN Regional Group Companies; and
- it benefits each relevant ARN Regional Group Company to assist its holding company to be able to obtain finance in order to provide to its subsidiaries (including the relevant ARN Regional Group Companies) with finance on better terms than would be available to the relevant ARN Regional Group Company on a standalone basis.

SPECIAL RESOLUTIONS CONTINUED

(f) Requirement for Approval by the Company's Shareholders

In addition, under section 260B(2) of the Corporations Act, if a company giving financial assistance will be a subsidiary of a listed Australian company immediately after the relevant acquisition of shares, the financial assistance must also be approved by a special resolution passed at a general meeting by the shareholders of the listed company.

Accordingly, the relevant ARN Regional Group Companies can only financially assist to acquire shares as contemplated under the Finance Documents if the shareholders of the Company pass a special resolution approving the financial assistance at a general meeting.

The Directors recommend that shareholders vote in favour of Item 6.
